

READING FOR
PLEASURE

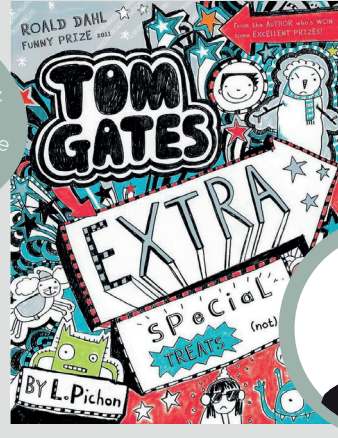

If you like a relatable book about how music can help turn your life around - 5 stars!

Ihfaz

This is an amazing book for lovers of fantasy. Really descriptive characters. You won't be able to put it down. First part of a trilogy.

Alana

I'd recommend Extra Special as the pictures make it really easy to get into.

Tyrese

If you want a funny, easy read go for Diary of a Wimpy Kid. All the books in the series are really funny.

Megan

I love teen dramas and would highly recommend It Only Happens in the Movies. If you like quirky characters and a realistic storyline you'll love this book.

Jessica

Soulmates is the book for you if you like fantasy and romance. Great plot twist at the end. Beware keep tissues on hand!

Anaia

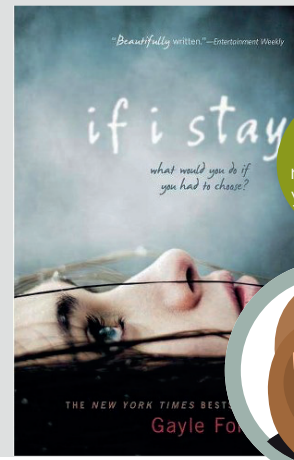

If you like thrillers, adventure and mystery books this is the book for you. It will make you laugh one minute and shed a tear the next.

Will

If you like romance books Kiss at Midnight is the book for you! It's part of a series of books with lots of twists that keep you guessing right till the end!

Alexandra

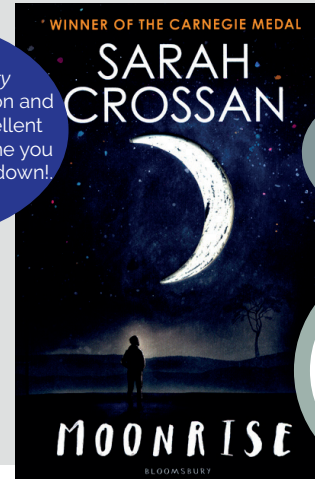

If you like lots of drama and a good character journey, the heart rending If I Stay is the book for you. It makes you feel grateful for everything you've got.

Beth

I'd recommend London Eye Mystery because it's full of action and adventure. It's an excellent detective book. Trust me you won't be able to put it down!

Thomas

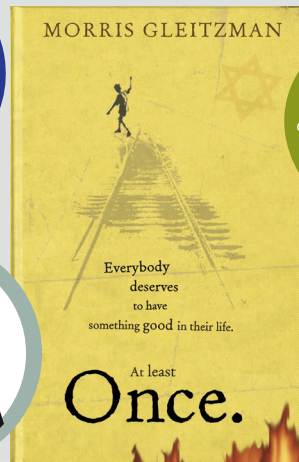

Moonrise is AMAZING. A quick read written in an interesting way. A real tear jerker!

Mo

I'd recommend Once. It's such an interesting story set in WW2. There are some happy and really sad moments. If you enjoy it you can go on to read the other six in the series.

Sophie-Jane

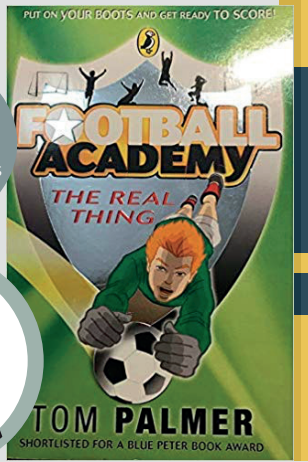

I'd definitely recommend Beyond the Bright Sea. It's an adventure book that looks at the feeling of belonging. It has everything you need for a good read.

Breya

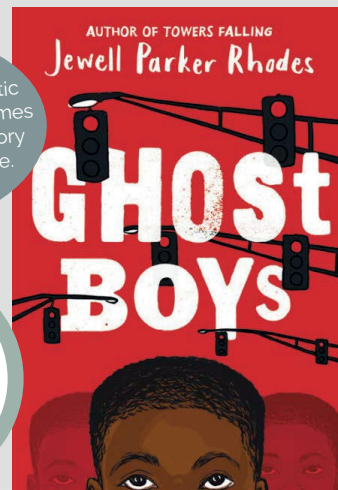

If you're a football lover check out The Real Thing by Tom Palmer. It's great for all ages, easy to read with lots of books in the series.

Kian

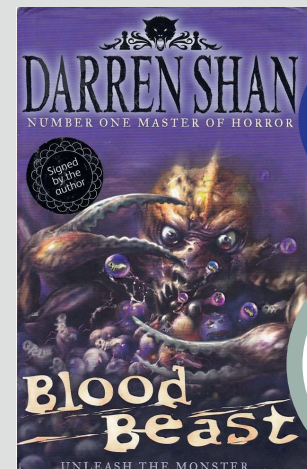

Ghost Boys is a short book that's both dramatic and mysterious. The themes include: race, grief, history and the fight for justice.

Zipporah

This is the first book in a really funny series. So enjoyable you laugh out loud!

Cameron

Blood Beast by Darren Shan has drama, horror and comedy. Part of a really exciting series of books.

Junaid
