- Friday 27<sup>th</sup> May – Children break up for half term
- Monday 6<sup>th</sup> June – Children return to school
- Thursday 21<sup>st</sup> July – Children break up for Summer

## Nut Allergy

Please be aware that we have children in school who are allergic to nuts and have EpiPens in case of emergencies.

It is vital that children do not bring items of food in from home that contain nuts. Please note, that this includes chocolate spread sandwiches – most contain nuts.

Please check any tuck and lunchbox that you send in to ensure that they do not contain nuts. Thank you for your cooperation with this matter.

All children should have a login for using purple mash. An exciting website that we use at school. Children can login at home and complete homework tasks. Please take a look the website is [www.purplemash.com](http://www.purplemash.com)

## Roman Day – Y3

Year 3 recently had a Roman Day and the students learnt many interesting facts. They made a human timeline from the Stone Age! They tried on the heavy armour that Romans would have worn. We acted out the story of Boudicca and what happened in her life. The children played a game in pairs and tried to find out what food the Romans had. In the afternoon they used their shields to make a double shield wall.

## Ancient Greek Workshop – Y5/6

We learnt about the Ancient Greek timeline. The 'dark ages'. Investigated what food they ate. We dug deep into city states and how empires battled. Solved Archimedes puzzle. We made Greek shields and learnt the characteristics of the Spartans and the Athenians.

Finally, we took part in a mini Olympic game

### Girls

### School Uniform

### Boys

Sensible black shoes
